

Currently on his My Kinda Party Tour, Aldean, 34, recently racked up his sixth No. 1 country hit.

THE WORLD ACCORDING TO...

JASON ALDEAN

THE BEST PLACE TO

VACATION IS... The Redneck Riviera on the Florida Panhandle.

I KILL TIME ON THE TOUR BUS

BY... Playing Xbox and watching horror movies. I'm on a bus with six other guys, so we don't get scared.

THE LAST GIFT I GAVE MY

WIFE WAS... A new diamond ring for our 10-year anniversary on Aug. 4. It's definitely an upgrade from the \$700 ring I started with when I proposed.

IT'S TIME FOR

NEW JEANS WHEN... You split the old ones in the crotch. I wear Wranglers and have

about 15 pairs of stage jeans. I've probably had most of them five years. I get a lot of miles out of them.

THE SECRET TO THE PERFECT

COWBOY HAT IS... Knowing how to shape it to look good on your head and your face. There's nothing worse than seeing people who buy a hat, just stick it on their heads and think it looks good. It doesn't.

RIGHT BEFORE I GO ONSTAGE

I... Take a shot of Patrón Silver [tequila] with the band. It's high-functioning alcohol.

I WISH I'D WRITTEN...

Hell, right now I wish I had written [my latest No. 1 country hit] "Dirt Road Anthem"! —KAY WEST
